PROFESSIONAL SUMMARY

Driven Full-Stack Developer skilled in Python (Django) and modern UI/UX design, with a focus on building secure RBAC systems, ERP solutions, and creative platforms. Passionate about developing scalable, high-performance applications and enhancing user experience through clean and responsive design.

EXPERIENCE

Full Stack and Python Developer Intern Eagle In Cloud

Jan 2026 - Apr 2026

- Developed and maintained full-stack web applications using **Python (Django), React, and Tailwind CSS**.
- Built a **Tally ERP System** with a Django backend and a responsive frontend using HTML and Tailwind CSS, enabling efficient financial data management.
- Designed and implemented a **Lead Management System** using React and Django, improving lead tracking and workflow automation.
- Developed a **School Management System** with RESTful APIs, handling student records, role-based access, and administrative workflows.
- Redesigned the **Eagle In Cloud company website UI** using React and Tailwind CSS, enhancing responsiveness and overall user experience.
- Created and integrated **REST APIs** using Django REST Framework for seamless frontend-backend communication.
- Optimized database queries and improved performance using Django ORM best practices.

Tech Stack: Python, Django, Django REST Framework, React.js, Tailwind CSS, HTML, SQLite PostgreSQL.

PROJECTS

The Virtual Canvas

Tech Stack: Next.js, Tailwind CSS, Sanity CMS

Developed a full-stack RBAC-based web application with secure authentication, dynamic dashboards, and a responsive UI, ensuring scalable and efficient user management.

Live Link: <https://tally-erp-system.onrender.com>

School Management System

Tech Stack: HTML5, Django, PostgreSQL, Tailwind CSS

Developed a role-based school management system with secure authentication and multi-level access control for streamlined school operations.

GitHub: <https://github.com/Mrankit47/school-management-system>

Live Link: <https://school-management-system-1-ucmf.onrender.com>

TECHNICAL SKILLS

Languages	C, C++, Python
Web Technologies	HTML5, CSS3, Next.js, React
Databases	MySQL, PostgreSQL, Sanity
Tools	GitHub, VS Code
Areas of Interest	Web Development, UI/UX Design, Data Analytics
Soft Skills	Problem-Solving, Analytical Thinking, Teamwork, Leadership, Adaptability

EDUCATION

Shri Vaishnav Vidyapeeth Vishwavidyalaya Master of Computer Application (MCA)	2024 - 2026
Devi Ahilya University, Indore (M.P.) Bachelor of Computer Application (BCA)	2020 - 2024
Board of Education, Bhopal (M.P.) Class 12th	2019 - 2020
Board of Education, Bhopal (M.P.) Class 10th	2016 - 2017

CERTIFICATIONS & ACHIEVEMENTS

- Eagle In Cloud Private Limited – Internship Certificate (4 months) — View Credential
- Web Development Workshop – Google Developer Group (3 days) — View Credential
- React JS Workshop – Sanamtrana 2025, Cloud State University (USA) — View Credential
- Soft Skills Certification – IIT Roorkee (NPTEL, 58%) — View Credential
- Public Speaking Certification – IIT Roorkee (NPTEL, 62%) — View Credential
- C/C++ & Data Structures Internship – Universal Information — View Credential
